

Oscar's Place Rehabilitation and Wellness Centre for Children is looking for a physiotherapy assistant and occupational therapy assistant to join our team!

We are located in beautiful Collingwood, Ontario with Georgian Bay and the Blue Mountains right in our backyard. If you like the great outdoors, Collingwood is the place for you!

As parents of a special little boy, Oscar's Place owners, Lana and Oscar Roman learned first-hand that there is very limited access to privately funded rehabilitation services for children north of Toronto. Lana's background as a physiotherapist combined with her passion for pediatric rehabilitation fueled the creation of Oscar's Place.

Oscar's Place is the only privately funded centre for children in Collingwood, Ontario and services both Simcoe and Grey Counties. We provide a multidisciplinary approach to paediatric rehabilitation, offering physiotherapy, speech-language pathology, occupational therapy, and mental health services catered to the needs of children and their parents.

JOB DESCRIPTION:

This is a temporary contract position beginning Monday May 27, 2024 and will terminate upon the return of the employee on maternity leave. We expect that this contract will terminate on Saturday January 18, 2025. There may be an option to extend the length of the contract depending on the needs of the centre at that time.

This is a full-time contract position involving a part time administrative role as well as a part time clinical role supporting both the physiotherapist and occupational therapist. If you are passionate about making a difference in the lives of children, we encourage you to apply!

QUALIFICATIONS & SKILLS:

- Passion for paediatrics!
- Successful completion of an Occupational Therapist Assistant and Physiotherapist Assistant Ontario College Diploma Program
- Strong knowledge and practical skills necessary to function competently in the role of an OTA and PTA in a paediatric setting.
- Strong interest or experience in: school-based rehabilitation, autism spectrum disorders, active rehabilitation 0-18yrs children with various neurological, developmental and/or physical challenges.
- Effective communication and collaboration skills.
- New grads are welcome to apply!
